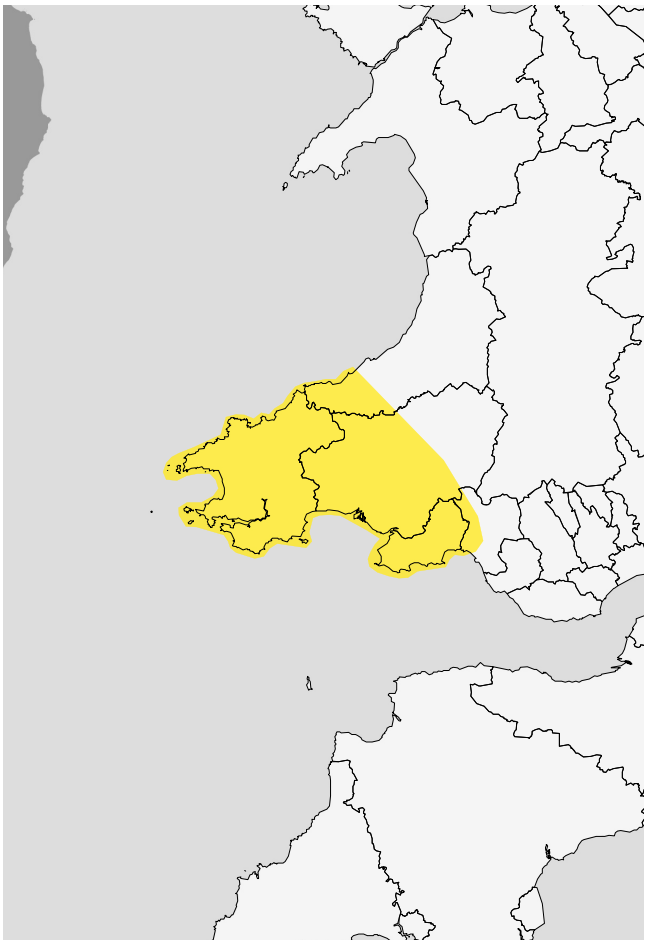
Yellow warning
**Rain**

Between
**17:00 Mon 23 Oct 2023** and
**23:59 Mon 23 Oct 2023**



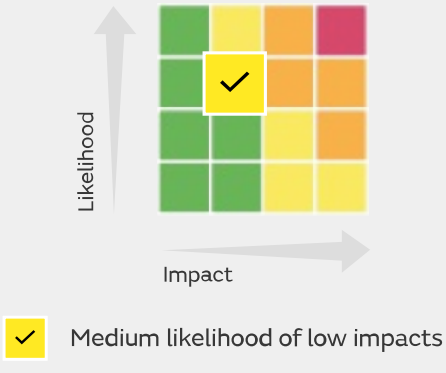
## A band of heavy showers is likely to cause some localised flooding on Monday evening

### What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is possible
- Some interruption to power supplies and other services is possible

### Further details

A band of heavy showers across Cornwall will move east across southwest Wales through Monday late afternoon and night. Whilst rainfall totals will vary across the area, some places are likely to see 20-30 mm of rain fall in 2-3 hours. There is a small chance 40-50 mm may fall in a few places, particularly Pembrokeshire and western Carmarthenshire.



Medium likelihood of low impacts
